

Our mission is to nurture families and cultivate community within our city by providing access to healthy, supplemental food and other supportive programs.

Over 5,000 people access food each month. As the cost of living continues to rise, more and more people are facing food insecurity in Abbotsford. Approximately 2.2 million dollars' worth of food is recovered and re-distributed every year. Archway Food Bank operates on 95% donated dollars.

Thank you for supporting Archway Food Bank through your donations. Your food items will be delivered to the food warehouse tomorrow morning.

Please make cheques payable to - Clearbrook MB Church.
