FAITH SEEKING GOD

Hebrews 11:1-6

1. Why is studying the Old Testament important?
2. What are key things we can learn from the men and women in the Pentateuch?
3. How does knowing these stories help us understand the New Testament better?
4. In Hebrews 11, each example of an Old Testament believer has an action connected to their character. What are the actions that faith has produced in your life?
