Message Notes & Questions

Meditating on God's Word

Psalm 1

1. Psalm 1 compares a person rooted in God's Word to a tree planted beside streams of water. What has helped you remain spiritually rooted during difficult or uncertain seasons?

2. Many voices compete for our attention. How can we recognize the difference between our personal preferences, our fears, and the leading of the Holy Spirit through Scripture?

3. What word or phrase from Psalm 1 stands out to you today? What might God be saying to you personally through it?

4. As Clearbrook searches for a new lead pastor, care pastor, and music pastor, what do you believe we should be listening for? How can we prepare our hearts to follow God's direction?
