Sermon Notes/Questions

Freedom To Love
Galatians 4:12-5:26

1. Read Galatians 4:12-20. What do you hear in Paul's words that shows how deeply he cares for the Galatians? How can we speak honestly to someone we care about in a way that helps them hear our love?

2. Read Galatians 4:28-5:6. What is the "yoke of slavery" Paul warns the Galatians about? Where are we tempted to earn God's approval, and how does trusting that we are already loved in Christ change how we treat others?

3. Read Galatians 5:13-15. How can Paul's call to "serve one another humbly in love" be practically applied in our personal lives? What might it cost us to love someone in our church family, especially when we disagree?

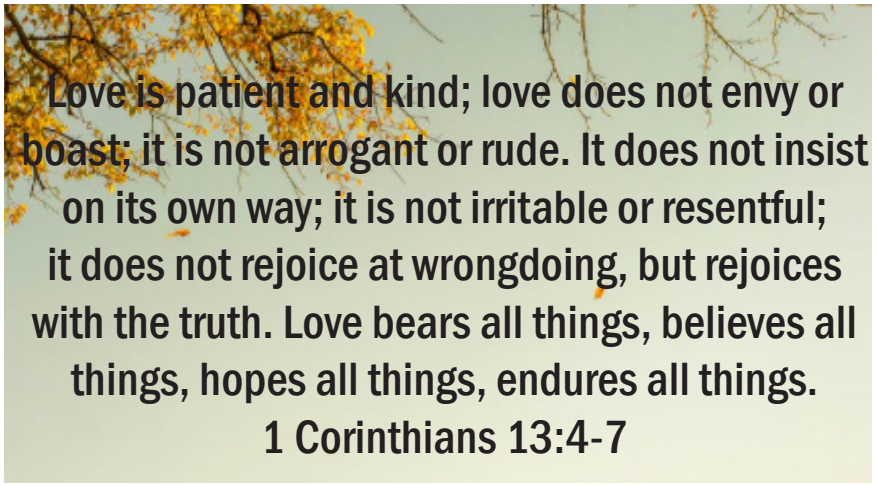

4. Read Galatians 5:16-26. Think of a relationship where it's hard to respond with love. Which part of the fruit of the Spirit would you ask God to grow in you, and what might that look like in your next conversation with that person?
