

## MESSAGE NOTES & QUESTIONS

### Which Instructions Are You Following?

Galatians 1:18 - 2:10

1. Why does Paul emphasize that he received the gospel from Jesus Christ rather than from the apostles in Jerusalem? Why does the source of the gospel matter?
2. What can we learn from the example of Titus about salvation by grace? What requirements are Christians sometimes tempted to add to faith in Christ?
3. What voices - tradition, personal experience, popular teachers, social media, or personal preference - most influence our understanding of faith? How can we ensure that Scripture remains our final authority?
4. As Clearbrook faces decisions about its future, what would it look like for us to honour our history without allowing our traditions or preferences to become barriers to others?

Please join us in praying for **Kyla Sinclair-Peters -Canada**. Praise God for the 230 kids who participated in our summer soccer league, and for the over fifty volunteers - teens from the neighborhood, adults from local churches, and some parents of the kids.
