

MESSAGE NOTES & QUESTIONS

If You Bite & Devour One Another -

Intro to Galatians

1. Read Galatians 5:13–15. What is the difference between Christian freedom and simply insisting on our own way? What does it mean to “serve one another humbly in love”?
2. Given that Galatians was written to churches, not merely to individual believers, how does this communal perspective deepen our understanding of Galatians 2:20, 5:6, and 5:22–23?
3. Read Galatians 5:19–26. Why are relational sins such as jealousy, rivalry, anger, dissension, and conceit sometimes harder for Christians to recognize than other sins? How can we discern whether a difficult conversation is being guided by the flesh or by the Spirit?
4. If you read Galatians as a mirror rather than as ammunition against others, where might the Spirit be asking you to change an attitude, listen more carefully, repair a relationship, or help carry someone’s burden this week?
